About Me

Results-driven Technical Support Representative with experience in troubleshooting, customer support, and content moderation. Skilled in resolving complex issues, improving user experience, and handling high-volume support environments. Seeking to contribute strong technical and communication skills to a dynamic IT or support team.

Education

B.S. in Information and Communication Technology 2015-2020 (Undergraduate)

Isabela State University - Main Campus

Work Experience

Sykes Asia Inc. | Sonos Account

May 2022 to Mar 2023

Technical Support Representative

- Provided technical support to customers by diagnosing and resolving hardware, software, and connectivity issues.
- Guided users through troubleshooting steps, ensuring clear and effective communication.
- Resolved 40–60+ customer concerns daily while maintaining high service quality.
- Assisted users in configuring network settings and identifying unsupported setups.
- Collaborated with internal teams to escalate and resolve complex technical issues.
- Documented cases accurately in ticketing systems for tracking and resolution.
- Recognized as a Top Agent for outstanding performance and customer satisfaction.

Transcom Asia PH | Pinterest Account

May 2024 to September 2024

Content Moderator

- Reviewed and analyzed user-generated content to ensure compliance with platform policies.
- Identified patterns, trends, and violations while maintaining accuracy and consistency.
- Demonstrated strong attention to detail and decision-making in high-volume environments.
- Researched and verified content to support moderation decisions.
- Maintained professionalism while handling sensitive and potentially distressing content.

Key Achievements

- Top Agent Award – Sykes Asia Inc.
- Consistently handled high-volume technical support cases with strong resolution rates
- Demonstrated ability to adapt quickly in fast-paced and dynamic environments
